Support for Titus for Circuit Court judge

I am writing this letter to support Judge Richard Titus in the upcoming Primary Election. He has my support for three distinct reasons.

First, as a former law enforcement officer, I personally know that Judge Titus is a tough, but fair, judge who cares about keeping Carroll County safe. That's what earned him the endorsement of FOP Lodge 20. Second, I am also a lifelong farmer and know Judge Titus shares my core beliefs of hard work, faith and personal accountability. Third, I can personally attest that he takes a conservative approach in his rulings making certain to follow, not make, the law while upholding the Constitution.

I urge all Carroll County voters to join me in voting to keep Judge Titus on Circuit Court.
