Sheriff, state's attorney endorse Judge Titus

We are writing to express our enthusiastic support for Judge Richard Titus to remain on the Circuit Court for Carroll County. The novel coronavirus pandemic has affected many aspects of everyday life, including the primary election date, which is now set for June 2. Voters will receive write-in ballots from the Board of Elections in the near future, and the Circuit Court for Carroll County judicial vacancy is an important race on the ballot deserving of your attention.

As the top law enforcement officials in the county, we have found Judge Titus to be extremely fair and impartial. He possesses the demeanor and temperament that a judge must exercise on the bench with regard to each and every case. Judge Titus is thorough in his preparation, reviewing the history of each case so he can make educated and informed decisions, particularly with regard to public safety matters.

Judge Titus has been a practicing attorney in Carroll County for more than two decades and has received the endorsement of the Carroll County Bar Association. Judge Titus has also received the endorsement of the Fraternal Order of Police Lodge 20, which represents Carroll County law enforcement officers. He is not only an important part of the professional community, he is part of the fabric of Carroll County and has been a county resident for 30 years. He also takes the time to attend local community events and to understand the priorities of the citizens of the county.

Given our collective professional experience with Judge Titus, we can unequivocally recommend him to the voters and citizens of Carroll County as a qualified and competent jurist deserving of their vote.
