Mayor endorses Titus, Sivigny

I met Judge Titus a few years ago. Since then, we have had many conversations and I have watched how he has conducted himself as a judge and community leader. I have seen him be caring and compassionate, and I have seen him be very tough on those who have committed heinous crimes. He is fair, just, and has always conducted himself with the highest level of integrity. I endorse The Honorable Judge Richard Titus for another term.

I have had a few dealings with the Board of Education as mayor, as a resident of the county, and as a business owner in the community. While those interactions have largely been pleasant, we also had a tough issue come up between the city and the board. It was a complicated issue that was not easy to solve.

Board President Donna Sivigny took the time to learn the details of the issue and was extremely reasonable in doing so. She is very intelligent, has experience that is quite valuable to the board, and is a fair and caring member of the community. She is a valuable asset to our community, and I endorse Donna Sivigny for another term on the Board of Education.
