

An endorsement of Judge Titus

As a life-long Carroll countian, and a legal assistant in a Carroll County law office, I can't tell you enough about how happy I am that Gov. Hogan appointed Judge Richard Titus to replace Judge Hughes after the latter's retirement.

Judge Titus has a well-deserved reputation as being tough, but fair, and he has the perfect temperament and demeanor to be a judge in Carroll County. Furthermore, his knowledge of the law is superior.

I urge all of my fellow Carroll countians, whether Democrat or Republican, to support Judge Titus in April. Again, kudos to the governor for this extremely wise appointment.
