## Support for Titus in judge race

This is a letter of support for the retention of Judge Richard Titus. I have known Richard Titus for many years. He is a strong family man, a community volunteer, an excellent lawyer and judge. He has always exhibited ethical and honest values in all aspects of his life.

Some may be unaware that Richard is a strong supporter of our school system. Even though his last child graduated from our school system in 2013, Richard continues to volunteer and support high school athletics.

I have had the pleasure of knowing not only Judge Titus but also his family. The election process can be hard on a family but his is a family that pulls together and helps one another.

Please join me, law enforcement and the legal community in voting to retain Judge Richard Titus.

*C. Richard Weaver*

*The writer represents District 2 as a member of Carroll County's Board of Commissioners.*
